

INTRODUCTION

The spring 2020 online class transition allowed me to integrate the Community of Inquiry (CoI) Framework into my two ENG 102 classes as a way to f

WHAT IS THE COI FRAMEWORK?

According to Garrison (2017), "Collaborative thinking and learning in a purposeful community of learners creates an environment where participants can explore and examine ideas while challenging personal biases" (Garrison, 2017). This takes place in the following presences: social, cognitive, and teaching.
