

TRIO McNair Scholars Program

Non Discipline Faculty Mentor Partnership Agreement

This agreement indicates my consent to work with the McNair Scholar, _____, and build campus wide community support; build confidence in interacting with faculty; provide the Scholar with an interdisciplinary perspective of the research process; and fully indoctrinate the Scholar about the life of academics. It also indicates that I am open to writing a recommendation letter on behalf of this student if I find it appropriate and/or deserving, and will let the student know whether or contacted by the McNair Scholars program to inquire about the status of its submission.

I understand that I will be asked to submit monthly reports to the TRIO McNair Scholars
